Subject: Support for House Bill 207 "Fire Station Grant Program"

Dear Members of the Alaska State Legislature,

On behalf of the Alaska Fire Chiefs Association, we are reaching out to request your support for **House Bill 207 "Fire Station Grant Program"**. This bill addresses the crucial fire station projects that are currently in need of attention and funding. Our organization represents all regions of Alaska and is dedicated to ensuring the safety and well-being of Alaskans by supporting and advocating for emergency service professionals across the state.

The state of Alaska faces unique challenges when it comes to emergency response, and it is imperative that our fire stations are adequately equipped and maintained to effectively address these challenges.

Many of our fire stations need essential upgrades and improvements to enhance their capabilities and response times. These projects include, but are not limited to, the following:

1. **Replacement and New Construction:** With many of the aging stations, renovations are just not feasible. These old stations need an entire replacement.
2. **Infrastructure Upgrades:** Aging fire stations require improvements to meet current safety standards and accommodate modern firefighting equipment.
3. **Training Facilities:** Establishing or upgrading training facilities will allow our firefighters to stay current with the latest techniques and technologies in firefighting and emergency response.

We understand the fiscal responsibilities faced by the Alaska State Legislature, however, we believe that investing in this bill is crucial for the safety and security of our communities.

We kindly request your support in passing House Bill 207 to ensure that your fire departments can continue to provide the highest level of service to the residents of Alaska.

Thank you for your time and consideration. We look forward to the opportunity to discuss these projects further that will strengthen the fire service capabilities throughout our great state.

Sincerely,

A handwritten signature in blue ink, appearing to read "Forrest Kuiper".

Forrest Kuiper, President
Alaska Fire Chiefs Association

		NEW FIRE STATION CONSTRUCTION
